

Flourish & Be Brave Marketplace Information

Thank you for being a special part of **Flourish & Be Brave** as a Marketplace exhibitor on Friday, April 28 - Saturday, April 29th!

We look forward to an amazing event with about 500 women in attendance. Be sure to invite your friends to show up and support you. Tickets are still available, **click here**. They will be so inspired by the stories, solid Bible teaching, worship, and surprises throughout. You will be able to fully participate in the conference, as the Marketplace will be closed during the sessions.

This outline will give you the exhibitor expectations, schedule, and should answer your questions. If I missed something, I am here to help and serve you now and throughout the event. You already have my email. My cell number is **425-941-1067**.

Thanks so much!
Elisa Anderson

Set up will be from 2-4:30pm on Friday (4/28). Doors open at 5:30pm. **We provide you with a 6 ft. table**. It will have your name on it, so you know where to set up.

This year the Marketplace will be UPSTAIRS in the huge Vision room of Evergreen Church (not in the outbuilding like last year). We think this will work better if there is inclement weather, as the whole event is in one place. Please park in the main North parking lot. There is an elevator if needed. Volunteers will be there to direct you.

Please provide your own tablecloth and booth décor, including signage. **Please let me know right away if you need an outlet for electricity.**

The room will be secured overnight. However, you are welcome to bring an extra tablecloth to cover up your items.

Some of you have indicated that you'd like to donate a door prize where you'll get publicity from the stage. Please make sure you provide me with a description of the item, so we can add it to the program script. Bring the donation on Friday afternoon. Thank you for blessing the attendees in this way!

Saturday (4/29) the Marketplace opens at 8am, and the Conference starts at 9am. You are welcome to bring your own lunch or purchase lunch from the food trucks located outside the North doors (menus will be available at the registration table). If you plan to purchase lunch with our vendors, please make your selections in advance. You may be dismissed early from the session at 11:15am. This will allow time to purchase your lunch from the food trucks and make your way to your booth before attendees visit you during the 1.5 hour lunch break.

Note: Water will be provided at your booth.

Marketplace visit / shopping times are outlined in the schedule below.

Tear down will begin at 4:30pm on Saturday.

Schedule for attendees: (Time to shop / visit the Marketplace is in red)

Friday Night – April 28:
