

Brave Manifesto

- I will respond to the inflection points in my life with the multiplied grace and peace that is mine through the knowledge of Jesus Christ.
- I choose to live a flourishing life by embracing the lessons of the past, rising above personal challenges, and owning my life by not making excuses.
- I will embrace my own story and choose to live my life with God's eternal purpose in mind for me.
- I will cultivate a life of consistent gratitude.
- I choose to grow and live a 'yes' life by asking God daily, "What more can I do for You?"
- I choose to daily let go of fear and instead lead and live from a place of Christ-centered love.
- I daily choose to adore God.
- I will let God's Word become fixed in my mind and govern my daily speech and will not name myself anything less than God does.
- Is anything too hard for God? I believe His Word which tells me that God can and will do anything and everything at His appointed time.
- I will seek to not waver at the promises of God.
- I believe that God's provisions are strategically located along the pathway of faithful obedience.
- I will daily bring my problems to God, trusting that His truth is the greater Word on the subject, and His constant vision of me is my constant provision.
- God calls those things that are not as though they are, this enables me to believe therefore and speak the truth of His promises.
- I will seek to live my life in believing surrender to God and His plan.
- With God, nothing shall be impossible.
- God accomplishes His purposes through the power of His Word.
- I will stay in the Word of God, believe what it says, and surrender to the God of heaven who loves me perfectly.
- I will seek to love my brothers and sisters in Christ with 'brotherly affection' and outdo one another in showing honor.
- I will seek to live confidently and contentedly in my own calling and then be free to bless others and not compete with them.
- I will use any confusion or lack of understanding in my life as a vehicle to praise the Lord and draw closer to Him.
- I never lose by worshipping God!

- I believe the Holy Spirit dwells in me permanently as a believer of Jesus.
- The Holy Spirit empowers and equips me for witness and service to the Lord.
- I will daily ask the Holy Spirit for a fresh in-filling.
- The Holy Spirit is the precious, promised Gift of the Father and He makes me brave by giving me daily power and creating unity with the Body of Christ on the earth.
- The Holy Spirit enables me to bring love to any situation I may face.
- The Holy Spirit is God present with us.
