

**Be Brave—week 6**  
**The Brave woman who went to Jesus for healing**

1. \_\_\_\_\_ is not a destination, it is a disposition.
2. The testimonies the woman heard had ignited her faith, and \_\_\_\_\_ needs an activity.
3. One of God's primary purposes in giving us the Scriptures is to train us to \_\_\_\_\_ and recognize Him when He reveals Himself through His divine activity.
4. All of Scripture is meant to lead us to a personal \_\_\_\_\_ with Him.
5. In every story, God reveals His nature, and embedded in that story is an invitation to \_\_\_\_\_ Him experientially in the same way.
6. If we want to beat discouragement in our lives, a key will be \_\_\_\_\_ to ourselves by using the Word of God as our script.
7. Grace: God meeting me at my point of need through the Person of Jesus Christ and God's \_\_\_\_\_ to release His power on my behalf.
8. She reached out and touched the \_\_\_\_\_ ~Jesus!
9. Don't let anything keep you from Jesus! Don't miss \_\_\_\_\_.
10. Get to Jesus and He will make you \_\_\_\_\_.
11. Sometimes, we just need to fall down before Jesus and tell Him the \_\_\_\_\_.
12. Out of her worship came a \_\_\_\_\_ that is still transforming us today.
13. Testimony reveals the \_\_\_\_\_ of Jesus and the heart of the Father.
14. Believing that God is always \_\_\_\_\_ and we are always loved is faith that pleases Him.
15. Our faith is standing on \_\_\_\_\_: the Word of God.
16. My job is to \_\_\_\_\_; His job is to heal.
17. Her impossible situation was not the focus of her faith; the \_\_\_\_\_ of Jesus was her focus. ***Her lack did not ignite her faith. Her testimony started with Him and what He could do—those were the words that came out of her mouth.***
18. Let's remember: do the \_\_\_\_\_ of what the enemy tempts us to do!
19. \_\_\_\_\_ a lifestyle of remembering.
20. A \_\_\_\_\_ record of God's goodness and activity in your life creates an expectation of His goodness and it builds your faith. ***If we are devoted to feeding our hearts on what God has done, the gratitude in our hearts will give us grace to endure the things we have no answers for.***

***"We don't allow ourselves to stumble over a question that God isn't answering at the moment. Disappointment with God is a trap that will effectively suck the strength and courage from us and invite destruction into our lives. And disappointment almost always gets in when we allow what isn't happening to arrest our focus."*** ~Bill Johnson
